

Portswood's best kept secret?

We are the Friends of Portswood Rec

We are local people, of all ages, who enjoy supporting this wonderful green space.

We work with both Southampton City Council and other groups to:

- Provide a safe, relaxing and accessible space
- Make a place for nature
- Encourage play, recreation and leisure
- Hold events for the community
- Improve facilities

Our Friends Group and active volunteers provide support, spread the word, or help on the ground.

We hold regular public meetings where all are welcome.

Support us - become a Friend or working volunteer.
